

Another record-setting year for Hillsborough's students

District set **all-time** graduation rate record

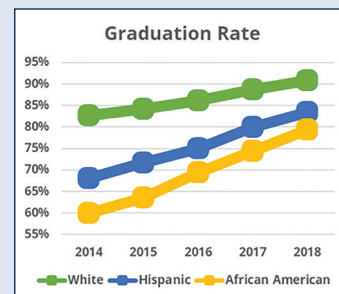

Increased grad rate equals a \$1 billion economic impact since 2015

Hillsborough ranks **at the top** of 27 large districts across America

4th and 8th graders tied for 1st place in reading and 2nd place in math

Achievement gaps **continue to close**

Grad rates for minority, exceptional and English learner students are rising faster than the overall rate
