Important Reminders

Username and Password are case sensitive and require a combination of letters and numbers.

Your request will automatically be sent to the counselor's dashboard for approval.

Once approved you will need to check your account daily to see when you are placed with a virtual teacher.

You must complete a welcome call with your virtual teacher to ensure you are not dropped from the course.

Once you complete the course, your teacher will submit your grade electronically. It will then be entered to your East Bay transcript by the Registrar.
