

MISSION

To be the state's leader in providing quality virtual instruction to all students by providing an education that allows each student to excel as a successful and responsible online learner with teachers providing instruction, deep engagement of students, and high expectations for all students.

THE SCHOOL AND THE COMMUNITY

Established in 2010, Hillsborough Virtual K-12 is a co-educational, public, college preparatory high school located in Tampa, Florida and is part of Hillsborough County Public Schools, the 7th largest school district in the nation. Hillsborough Virtual K-12 is consistently named a top performing school, as evidenced by test scores and college matriculation.

THE ACADEMIC PROGRAM

Designed to motivate and challenge all students, the academic program at Hillsborough Virtual K-12 is driven by equity and the highest possible learning expectations for students. Our proficiency-based learning and graduation policies ensure that all students leave as highly literate and skilled graduates. During their high school career, students have access to a wide range of learning experiences, including Advanced Placement courses and dual-enrollment opportunities at local colleges. All learning experiences are academically rigorous and intended to prepare students for success in college, career, and citizenship.
