Culture of Honor

IB Mission

The International Baccalaureate® aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

IB Students

will grow up to be global leaders of the future! They will need a remarkable insight into people and cultures across the world, and a concern for the well-being of the world community.

Service As Action

Service As Action (SA) is doing something to help make the world a better, more peaceful place! Service As Action is part of being a Middle Years Programme (MYP) student. Even more importantly, it is part of being a caring, responsible member of your school, local and global communities. In the MYP, service as action starts in the classroom and extends beyond it, requiring you to take an active part in the communities you are a part of. At Walker, the expectation is:

- Year 1 (6th grade) students will complete 5 hours of service
 - National Junior Honor Society (NJHS) members must complete 10 hours
- Year 2 (7th grade) students will complete 8 hours of service
 - National Junior Honor Society (NJHS) members must complete 10 hours
- Year 3 (8th grade) students will complete 10 hours of service + the required Community Project.
