### Have You Heard...

Walker Middle Magnet is an International Baccalaureate (IB) World School offering the Middle Years Programme (MYP) for grades 6-8. Our vision is empowering students to take what they have learned to make the world a better place. Our mission is equipping globally-minded students to think, collaborate, and act with care.

Walker's IB learners strive to become: balanced, risk-takers, inquirers, caring, knowledgeable, communicators, principled, open-minded, reflective, thinkers. These attributes represent a broad range of human capacities and responsibilities that go beyond intellectual development and academic success.

The International Baccalaureate Middle Years Programme (MYP) at Walker Middle Magnet provides a framework of learning that encourages students to become creative, critical and reflective thinkers. The MYP emphasizes intellectual challenge, encouraging students to make connections between their studies in traditional subjects and the real world. It fosters the development of skills for communication, intercultural understanding and global engagement.
