						Cambridge Advanced International Certificate of Education (AICE) Students must pass seven credits worth of AICE examinations. At least one from Mathematics and Sciences, Languages, Arts and Humanities. Students must also pass examinations in the core requirements of AS Level Global Perspectives. (Only available at certain high schools)																							
						International Baccalaureate (IB) Students must complete six IB courses across various designated subject areas, score at least 24 points on IB exams (including 12 in higher level courses). Students must also successfully complete IB core requirements including the extended essay, Theory of Knowledge and CAS. (Only available to IB magnet high schools)																							

*One credit must be Algebra 1 and one in Geometry.
 **One credit must be Biology, two of which must be equally rigorous science courses.

Students must also earn a 2.0 unweighted GPA on a 4.0 scale and pass the statewide and standardized assessments listed below.

STATEWIDE & END OF COURSE ASSESSMENTS REQUIREMENTS

Grade 10 English Language Arts (ELA) exam or an equivalent score	AND	Algebra 1 End-of-Course (EOC) exam or a comparative score	Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30% of the final course grade: Algebra 1, Biology, Geometry, and US History
--	-----	---	---

NOTE: A waiver of assessment results is granted by the IEP team for students with disabilities. Additionally, students enrolled in ESOL program for less than two years may meet the requirement for grade 10 ELA by satisfactorily demonstrating grade level expectations of formative assessments.

Additional diploma designations are also available for students in Florida: **The Scholar Designation** and the **Industry Scholar Designation** with additional requirements over the standard diploma. Visit fldoe.org for more information on these requirements.
