3915 E 21ST AVE, Tampa, FL 33605

[ no web address on file ]

### SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

#### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

#### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

#### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

**Provide the school's mission statement.**

In a single gender environment, we will deliver an education which will inspire and empower young men to master work ethic and expecting them to model core values in both school and community.

**Provide the school's vision statement.**

Molding young men of distinction who will achieve greatness.

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

**School Leadership Team**

For each member of the school leadership team, select the employee name and email address from the dropdown it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Haley, John	Principal	The principal serves as instructional leader of the school, engages stake holders in monitoring collaborative culture where all participate in the decision-making process.
King, Marie	Reading Coach	promotes access and equity for all students by providing direct instructional support to teachers based professional development, and creating 6-8 curriculum and assessment resources
Scribner, Meredith	Assistant Principal	Curriculum/ Administration

**Stakeholder Involvement and SIP Development**

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(3))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The SIP will be regularly monitored by ILT members and shared with stake holders at ILT or SAC/Steering.

**SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan (ESSA 1114(b)(3))

The SIP will be regularly monitored by ILT members for effective implementation and impact on increasing the achievement standards. The plan will be revised based off the PLC Tool all staff is using on a regular basis.

### III. Planning for Improvement

#### Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's**

The 7th Grade who students who took Grade 7 FAST PM3 all started out the year as a Level 1 or 2 from the previous year. The 21-22 FSA were placed in Accelerated Grade 7 Mathematics. Those students took the Grade 8 FAST PM3. We had a lot of students who were high 2's and low 3's to increase their knowledge of grade level benchmarks to either get the grade level benchmarks. Due to proficiency being a district focus, Level 1's and low-Level 2's did not get the beginning of the 22-23 school year Level 1 math students made up 29.1% of our 7th grade students (our largest group).

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to**

The data component that showed the greatest decline from the previous year was the percentage of ELA 6th Grade students who were proficient, dropping from 49% to 46%. In general, the state average dropped across all grade levels, and this could be contributed to the drop, we were still closer to the state average than the year prior.

As for progress monitoring, we were offered little guidance on it since the Florida State Assessment could not be used for progress monitoring. We were unable to declare if the insufficient readers made adequate progress towards being on grade level.

Seventh Graders excelled at the ELA FAST test, beating the state average by 3%. In addition, we increased our Civics scores by 51%. This same group excelled on their Civics exam too.

We experienced a two percent dip in 8th Grade and could contribute this dip to a brand-new teacher in the ELA curriculum district wide.

However, we did see a lot of our high 2s increase to at or above grade level. We suspect this is from writing not tutorials for student ratings below grade level on school wide writing assessments. We will also continue to monitor focus on the standards that students seem to struggle with.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap.**

The students who took the Grade 6 FAST Mathematics assessment ranged from Level 1 to Level 5. We worked with students who were high 2's and low 3's) to increase their knowledge of grade level benchmarks to either get them to proficient or advanced levels on BEST Benchmarks. Due to proficiency being a district focus, Level 1's and low Level 2's did not get the extra attention. In the 22-23 school year Level 1 math students made up 27.7% of our 6th grade students (2nd largest group-tied with Level 2's).

**Which data component showed the most improvement? What new actions did your school take in this area to address the concern?**

The only data components we receive are proficiency levels, however, we use Semester Exams to help guide the instruction. The 1st semester exam were: 2.4 Bill of Rights and 1.3- English Policies and Colonial concerns. As a result of re-teaching, proficiency levels reached 76%. In addition, lunch tutorials were given to students of concern. Standards aligned interactive notebooks were used to address standards. Lunch tutorials as well-with a focus on reading fluency. reading strategies : Purpose for reading (text message), identifying context clues, and asking questions as they read. Written assessment that can explain the essential question. Grammar and writing are vital in increasing comprehension.

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

Enrollment stayed the same, but our course failure rate declined dramatically. We also experienced a decline in scores on the Statewide Assessment (Arts) or Math Statewide Assessment. A lot of this decline came from teachers trying to implement new curriculum and standards this year.

The One or More Suspension rate increased from 86 to 115 students. This rate increase can be explained by the increase in enrollment.

Biggest concern is the growing number of students with a Substantial Reading Deficiency (Tier3). We went from 100 to 150 students below grade level. Last year gains on the ELA (English Language Arts) Statewide Assessment did not count. In addition, we should look like for the lowest group and focused more on our high 2s since this was a category that counted towards the state average.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

1. Implementing methods for fostering engagement with the aim of developing literacy skills that yield meaningful learning experiences.
2. Increase student accountability by identifying and recognizing student achievement on standards based assessments.

**Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

## #1. Instructional Practice specifically relating to Professional Learning Communities

### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing

Last year we focused on non-evaluative walk throughs of classrooms to determine if the instructional priorities are being developed with input from administration, coaches, and teachers. After the walk throughs were conducted Administration identified trends.

This year we're implementing a PLC Tool form. This planning form includes sections for - Data, Benchmark, Assessment Monitoring and Scaffolding.

Each month the subject area department will meet once to go over routine paperwork as a department. Then the PLC will meet with the SAL/Coach. We're hoping that teachers will want more than 1 One-on-One PLC a month as they see growth. During the One-on-One PLC both the teacher and the coach/SAL will fill in the school wide PLC Tool form.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The PLC Tool form will be compared to the teacher approved walk through form. Admin, SALs, and Coaches will look at

By May of 2024, our percentage of On Grade Level or Higher Students (proficient) will increase by 2% and our percentage of students below grade level will decrease 2%. This is easily captured within the parameters of state FAST testing. The instructional leadership team will develop action steps with action steps we are taking to improve instructional practice and student gains. Further, teachers also determine the impact on student learning.

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The data from the walk throughs will be entered into a form that creates pie charts and bar graphs that will demonstrate trends effectively. This data will then be compared to the subject area or the individual teacher's PLC Tool form.

SALs and Coaches will be involved with planning and filling in the PLC Tool with their department. Administration will review. After reviewing the form or attending the meeting, administration or ILT should be prepared to do a non-evaluative walk through of a classroom and mark accordingly on the walk-through forms.

During the debrief of the non-evaluative walkthrough, administration and ILT should discuss trends from both the PLC Tool and

### Person responsible for monitoring outcome:

Meredith Scribner (meredith.scribner@hcps.net)

### Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI, or other interventions.)

Our PLC tool is a live document and will be updated bimonthly to capture what benchmarks are being addressed and what is then done to address both proficient and nonproficient students.

### Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

This strategy was selected by our instructional leadership team as a way to provide regular feedback to teachers so they can address students' areas of greatest need.

### Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as determined by the Florida Department of Education.)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for each step.

1. Develop a walk-through form with the instructional leadership team that captures the area in which teachers want to improve.
2. Add to that form sections that capture the fidelity of the implementation of our instructional priorities within each classroom.
3. Principals and administration begin using the form weekly to provide on-going feedback to be utilized for on-going reflection.

**Person Responsible:** John Haley (john.haley@hcps.net)

**By When:** On going.

**#2. Positive Culture and Environment specifically relating to Teacher Retention and Recruitment**

**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-perfor

We struggle to retain new teachers and are in a constant cycle of training mode vs. growing and learning together. We provide data and into appropriate pre planning trainings. We've provided daily one on one planning sessions with their SAL schedule to provide continued one on one support to all teachers. Our teachers struggle with planning. Our school have multiple preps and are the only teacher teaching that course.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome

By May of 2024, 80% of new non-instructional and instructional staff will commit to an additional year at Franklin Mi

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus can be measured by quarterly surveys and check ins on the culture on campus via conferences, via feedback and reflection sessions. The Instructional Leadership Team and Team Leaders will include a portion of or places, we can implement a more positive culture.

**Person responsible for monitoring outcome:**

John Haley (john.haley@hcps.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI interventions.)

According to an article on Frontline Education, "Districts that ensure their teachers have a voice and feel continually take the first step in getting your employees to stay by surrounding them from all directions with consistent, year-long

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

The rationale for selecting the resources for this strategy is establishing a school culture where teachers feel they have a positive environment for student growth and achievement.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as d

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person resp

***No action steps were entered for this area of focus***

**#3. ESSA Subgroup specifically relating to Students with Disabilities****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-perfor

Student with disabilities within the ELA bottom quartile of performance is an area of focus. The rationale for this area of focus is that the bottom quartile noted a decline of 8 points from 28% to 20% from the 21-22 school year. ELA and ESA teachers determined that differentiated strategies with which they are struggling would provide desirable results. Further, differentiated strategies utilized to specifically address individual student's learning styles/ learning needs.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By May of 2024, our students with disabilities (SWD) in the bottom quartile for ELA performance will increase from 20% to 28%.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Both district and state progress monitoring tools will be utilized to track the results of all small groups. Small groups will be monitored through form to ensure fidelity of implementation.

**Person responsible for monitoring outcome:**

Meredith Scribner (meredith.scribner@hcps.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI, or both must list evidence-based interventions.)

District and state-based progress monitoring tools will be utilized to collect evidence for the efficacy of the strategies.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Their strategy allows teachers to focus their energies on this specific subgroup to monitor their progress throughout the year. This data informs us to do.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined in the UniSIG manual.)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for each step.

Identify SWD ELA bottom quartile students by grade level 9/29

**Person Responsible:** Meredith Scribner (meredith.scribner@hcps.net)

**By When:** 9/29

Schedule the identified students into small groups for differentiated instruction by 9/29

**Person Responsible:** Marie King (marie.king@hcps.net)

**By When:** 9/29

Monitor the fidelity of the groups utilizing school's walk-through form.

**Person Responsible:** [no one identified]

**By When:** 9/29

Pull data from the district and state progress monitoring tools to assess student progress after each administration.

**Person Responsible:** Meredith Scribner (meredith.scribner@hcps.net)

**By When:** 9/29

#### #4. Positive Culture and Environment specifically relating to Other

##### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-perfor

In addition, our data showed a 6 pt. Drop in reference to the question, "How often do your teachers seem excited to  
10% increase in this category.

##### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This will be monitored with student grades and PM data. This will hopefully result in an increased sense of belongin  
us.

In addition, we have several things planned to increase comradery among the faculty; including games to release to  
attendance, covering classes, taking dispersed students, etc . Progress in this area will be monitored through stude

##### Person responsible for monitoring outcome:

Meredith Scribner (meredith.scribner@hcps.net)

##### Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI  
interventions.)

##### Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The plan to address the issues outlined above includes recognizing student improvement at all levels regularly. For  
but is still at level 1, that achievement will be recognized (positive referrals, positive parent calls, etc.).

##### Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as d

Tier 1 - Strong Evidence

##### Will this evidence-based intervention be funded with UniSIG?

No

##### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person resp

***No action steps were entered for this area of focus***

## CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

## Reading Achievement Initiative for Scholastic Excellence

### Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade and rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the need for this initiative include:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification of more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and assessment at Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

#### Grades K-2: Instructional Practice specifically relating to Reading/ELA

n/a

#### Grades 3-5: Instructional Practice specifically related to Reading/ELA

n/a

### Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of its students scored at a Level 3 or above on the statewide, standardized ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment;
- Grade 6 measurable outcomes may be included, as applicable.

#### Grades K-2 Measurable Outcomes

n/a

#### Grades 3-5 Measurable Outcomes

n/a

### Monitoring

**Monitoring**

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of the outcomes.

n/a

**Person Responsible for Monitoring Outcome**

Select the person responsible for monitoring this outcome.

**Evidence-based Practices/Programs**

**Description:**

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each area that will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student achievement. 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong evidence)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Practices/Programs List?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

n/a

**Rationale:**

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

n/a

**Action Steps to Implement**

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify the action steps in the following categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

**Action Step** **Person Responsible for**

**Title I Requirements**

### Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

**Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be provided in a language a parent can understand. (ESSA 1114(b)(4))**

List the school's webpage\* where the SIP is made publicly available.

The SIP, UniSig budget and SWP will be disseminated to stakeholders via the school website, Parent links and n (link at bottom of webpage)

**Describe how the school plans to build positive relationships with parents, families and other community members, address the needs of students and keep parents informed of their child's progress.**

List the school's webpage\* where the school's Family Engagement Plan is made publicly available. (ESSA 1116)

Our goal is to create a positive school culture and environment at BPA is driven by our school Creed, College Prep emphasis on academic success and positive and appropriate behaviors. We have positive referrals to call parent House system has mentor meeting which focus on our school creed and mission statement, character development encourage growth in these areas rewarding students positive and appropriate behaviors. This year all students a Cambridge's embedded work ethic Cambridge. Parents can find updated info on their child's progress through C <https://www.hillsboroughschools.org/site/default.aspx?PageType=3&DomainID=85&ModuleInstanceID=4519&ViewID=6446EE88-D30C-497E-9316-3F88>

**Describe how the school plans to strengthen the academic program in the school, increase the amount of instruction and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7))**

BPA focuses on communicating every child's progress to the parents by sending home quarterly progress alerts students, parents, and the community work collaboratively to improve skills and habits for personal and academic

We encourage parents and guardians to participate in all of our events by sending home newsletters and flyers, website and social media is a priority. In addition, we utilize Canvas (a course management system that support communication.

**If appropriate and applicable, describe how this plan is developed in coordination and integration with other programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, career and technical education programs, and schools implementing CSI or TSI act**

n/a

### Optional Component(s) of the Schoolwide Program Plan

Include descriptions for any additional strategies that will be incorporated into the plan.

**Describe how the school ensures counseling, school-based mental health services, specialized support improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))**

Our CST, CCEIS, and Threat Assessment Teams meet weekly on Thursdays to monitor all counseling, mental h Our school's guidance counselor, Assistant Principal, Social Worker, interim school psychologist, Success Coach Officer are all in attendance. In this manner, all services are tracked, and accounted for. In addition, a wide variety input from participating stakeholders.

**Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include broadening secondary school students’ access to coursework to earn postsecondary credit while still in school.**

n/a

**Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and describe activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq.**

In July of 2023, several staff members began the training for CCEIS (Comprehensive Coordinated Early Intervention) at the school. This is an on-going training that results in a school-wide system/plan to ensure that students with behavioral concerns at school, receive a variety of interventions prior to suspension. In the interim, while this plan is being developed, we have asked the CCEIS team to develop individual plans for students to address the causative factors leading to the behavior and hopefully prevent the issues from arising in the first place.

**Describe the professional learning and other activities for teachers, paraprofessionals, and other school staff; describe academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(V))**

PLC’s meet twice per month and are staggered by department to accommodate attendance by ESE, the Literacy Coach, and the subject area teacher.

At the first meeting, the subject area department will meet to go over routine paperwork as a department. The second meeting will be with the SAL/Coach. We’re hoping that teachers will want more than 1 One-on- One PLC a month as they see growth in their students.

**Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs. (ESSA 1114(b)(7)(iii)(V))**

PLC’s meet twice per month and are staggered by department to accommodate attendance by ESE, the Literacy Coach, and the subject area teacher.

At the first meeting each month, the subject area department meets to go over current data as a department and discuss it with the students. The second monthly PLCs are one-on-one data driven planning sessions between individual teachers and students. Several teachers request additional planning meetings, as they have growth among the proficient and non-proficient students.

We take many steps to encourage the recruitment and retention of effective teachers. These steps include working with the district to ensure that all teachers have the resources they need to be successful. We have maximized our extended network of experience, via administrators, teachers, and paraprofessionals. We currently have no vacancies on our campus in any area; instructional or otherwise. We provide several layers of support to ensure that teachers do not feel alone, and know what resources exist on our campus. All of our teachers receive regular visits from administrators and our Student Success Coach so that they become comfortable with utilizing and receiving support when needed.

Professional Development topics this year include meta-cognition strategies, Growth-Mindset learning, and “Taste of Success” to give all students opportunities to be recognized for their growth, however big or small.

## Budget to Support Areas of Focus

### Part VII: Budget to Support Areas of Focus

**The approved budget does not reflect any amendments submitted for this project.**

1	<b>III.B.</b>	<b>Area of Focus: Instructional Practice: Professional Learning Communities</b>
2	<b>III.B.</b>	<b>Area of Focus: Positive Culture and Environment: Teacher Retention and Recruitment</b>
3	<b>III.B.</b>	<b>Area of Focus: ESSA Subgroup: Students with Disabilities</b>
4	<b>III.B.</b>	<b>Area of Focus: Positive Culture and Environment: Other</b>

**Budget Approval**

**Check if this school is eligible and opting out of UniSIG funds for the 2023-24 school year.**
