NAMESAKE

On Oct. 17, the Hillsborough County School Board voted to name our new K-8 magnet school after Kenneth E. Adum.

Mr. Adum worked for HCPS for 37 years, starting in 1970 as a social studies teacher at Booker T. Washington Junior High, and worked his way up to Gaither High School's principal.

He was named Principal of the Year three times during his tenure in the district and also served as a regional superintendent for three years before retiring in 2006.

During his retirement, he spent time mentoring new teachers and administrators.

Mr. Adum passed away in April 2021 after a long battle with cancer.

THANK YOU TO OUR CONSTRUCTION PARTNERS!
