Wilson Elementary School

Welcome to the new school year!

I hope everyone had an enjoyable summer spending time with family and friends. I look forward to seeing all our Wildcats return on MONDAY, August 12th. It is very important that all our Wildcats attend school every day. Please be aware and share with other families that school begins on a MONDAY this year.

This year, "Gold Medal Mindset" is timely and intentional toward showing our students their talents and achievement can be developed. Last year our students explored ways to ensure their mindset opened them up to increase student achievement. They exceeded the goal!!! We are proud to share our proficiency and gains points increased and we earned a school grade rating of "B." We are proud of this and are ready to go for the gold this year! You can help us by making sure your child is at school every day if possible.

Parents will be permitted to walk students to their classrooms during the first three days of school. We ask that parents who choose to do this give a quick goodbye at the classroom door so teachers can begin helping students learn their morning routines. At 7:40AM our learning day begins, and all visitors will need to exit the campus. After the first day, students will practice independence and walk to their classrooms independently. We have many school staff on duty in the hallways to ensure students arrive to their classroom safely. All visitors on the first three days will need a visitor sticker prior to the start of school in order to be on the school campus. After 7:40AM on any day, visitors must enter through the main office with their photo ID to receive their visitor sticker.

If you haven't already, please connect with us on Facebook @WWildcatPTA. We also send a monthly Smore (electronic newsletter) through our automated phone system. Be sure your phone number is current with us, so you receive the monthly communication. Our school marquee has been updated and current information for the school is also made available there.

Enjoy the rest of the summer (stay cool and hydrated) and we will see you soon.

With Wildcat Pride,

Kayla Forcucci
Principal
