No pain. All gain.

## TOOLS FOR YOU TO SUPPORT OUR STUDENTS

Family-centric videos provide guidance and free tips for the everyday life experiences and events we all go through, especially our youth.

**1**

### **6D EFFECTS**

Provides education on some major risk factors for youth violence and self-harm. Outlines strategies to mitigate these risks. [\(Spanish\)](#)

### **ALL STAR DADS**

Highlights the critical role that fathers can have on the positive emotional well-being of children.

**2**

**3**

### **CONSEQUENCES OF CHOICES**

Family education on gun safety. [\(Spanish\)](#)

**4**

### **DANCE FEVER**

Education on fentanyl.

**5**

### **IDENTITY THEFT**

Protect students from excessive participation in social media platforms. The consumption of this negativity is toxic and destructive to positive self-esteem.

**6**

### **LABELING**

Look beyond the stigma of emotional and physical disability diagnoses by creating a culture of hope, optimism, and encouragement. This empowers students to exceed previously held limiting beliefs that, in turn, lead to unimaginable achievements. [\(Spanish\)](#)

**7**

### **LOST IN SPACE**

Addresses the responsibility that adults have for building digital citizenship for students. This vigilance helps keep our youth safe, and secure and helps to minimize their internal negative stress. [\(Spanish\)](#)

**8**

### **THE BIG SPLIT**

Tips for families on how to best support children as they deal with parental divorce.

**9**

### **THE “S” WORD**

A unique and disruptive approach to eliminating youth suicide. [\(Spanish\)](#)

**10**

### **SMOOTH SAILING**

As summer break approaches rapidly, quick reminders for families to help their children thrive in the transition and how to keep them safe and secure. [\(Spanish\)](#)
