

College Recognition in the State of Florida is guaranteed by the Florida DOE. All public colleges and universities must abide by the DOE Articulation Coordinating Committees credit by examination guidelines.

Florida Public College Credit by Examination Guidelines can be found on the Florida DOE website located [here](#). Scroll down to find **CAMBRIDGE AICE (British AS-Level and A-Level Information)**.

College Recognition outside of the State of Florida and at Private schools within the State can be determined by using the University of Cambridge International Examinations (CIE) recognition Search tool located [here](#). As a reminder, out of state schools do not call it AICE, and typically refer to the program or courses/exams as their actual names - British AS and A Level exams or Cambridge Exams. AICE is a term typically used only in the State of Florida. Most out of state schools have more restrictive credit by exam policies than the State of Florida and typically only accept A Level exams at a "C" grade or higher. Many colleges and universities refer to A-Level exams under international student information.

If the school for which you intend to apply is not listed, please send an email to Mr. Brewer (Jeffery.Brewer@marion.k12.fl.us) so that he can forward the information to the University of Cambridge's College recognition specialists to find out more information.

Recognition of Cambridge AICE (British A-Levels) in Florida (Note - This is NOT a list of all colleges & universities in Florida):
