## What counts as Service?

Examples of Service at school:	Examples of Service at home or in my community:
Environmental clean-up projects	Helping your parents or other family members if they are involved in a charity or community service project
Making Strides Against Breast Cancer Walk	Tutoring a family friend or neighbor <b>WITHOUT</b> accepting money
Veterans' Day initiatives	Babysitting or working for free in a nursery at a church, mosque, synagogue, or temple
Earth Day projects or beautification	Volunteering in a hospital, daycare, assisted living facility, or animal shelter <b>WITHOUT</b> accepting money
CEO – Service Learning options	Serving others at a shelter, food pantry, or soup kitchen
<i>If you have other service learning activities or projects you are interested in doing, please check with a teacher or administrator to see if they qualify as service learning options.</i>	

### Other consideration about service and learning activities/projects:

- Activities/projects should be non-competitive.
- You must fill out all parts of your service and learning booklet.
- You should choose activities/projects that are meaningful to you and that you will be able to complete successfully.
- Always complete a rating form and a written reflection after you finish each activity/project.
  - **HAVE FUN!**

**\* FOR YOUR SAFETY, ALWAYS GET PERMISSION FROM YOUR PARENTS BEFORE PARTICIPATING IN ACTS OF SERVICE.**

I have read and reviewed the Service and Action booklet.
