## Summer Reading 2024

# Dom Casmurro by Machado De Assis

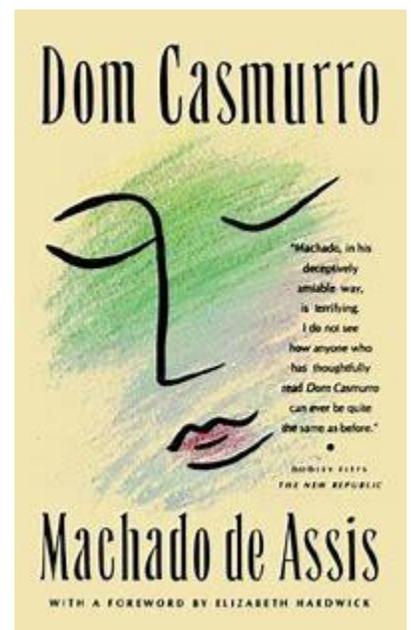

## Translated by Helen Caldwell

ISBN 978-0374523039

**Reading Test on the first day of school!**

### Advice for successful reading:

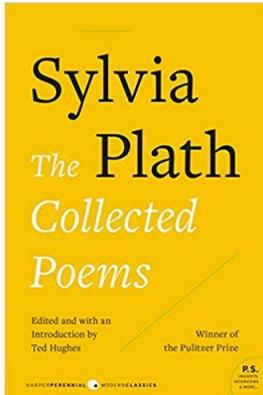

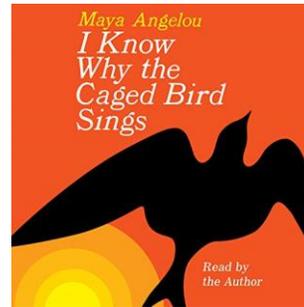

1. Stay off the Spark or any of its brothers (in other words **DON'T READ A SUMMARY**).
2. Annotate like crazy and use your phone/computer to google individual words and references , but stay away from explanations!
3. Email me with any questions:  
[robert2.brown@hcps.net](mailto:robert2.brown@hcps.net).
4. Prepare for 15 dialectical journals. They won't be due for a month but start thinking of interesting lines or chapters,
5. Read it more than once. Once to get the plot and once for analysis.

Other books for this year – The exact version is unnecessary for all but De Assis & Plath. Look for used if you are on a budget.
