

Cypress Creek Elementary

SIX HOUSES-ONE SCHOOL

NEWS/CELEBRATIONS

On August 16, students from pre-K to 5th grade, newly sorted into their houses, celebrated with "wear your color day," proudly displaying their house colors. The excitement continued on August 30 with the house assembly kickoff, where students participated in games, learned about the house system, and eagerly discussed how they would start earning points. The assembly area was adorned in house colors, creating a festive atmosphere and strengthening the sense of community as students gear up for friendly competition.
