SIX HOUSES-ONE SCHOOL

NEWS/CELEBRATIONS

The houses came together last month to work on their house cheers, and the excitement was contagious! Students had a blast brainstorming words that represented their house traits, and then added fun, catchy sounds and movements to make their cheers come alive. It was a fantastic opportunity for everyone to show their creativity and team spirit, all while reinforcing the core values that make each house unique. The energy was high, and the kids couldn't wait to showcase their new cheers! Be sure to ask your child about their house cheer or have them show you—it's a fun way to celebrate their house pride!
