Hillsborough County Schedule Change Policy

Valid reasons for a schedule change may include counselor or computer error, failing a required course, passing a course in summer or night school, lacking a graduation requirement, and lacking proper prerequisite. Schedule change requests will not be considered for the purpose of teacher preference. A change request may require the entire schedule to be altered, including teachers and periods. Once a schedule has been changed, it cannot be changed back to the original schedule.

I am aware of the programs offered to my child at Newsome High School, and I agree with his/her choices as indicated. I have also read and understand the schedule change policy listed above.
