**CANVAS:**

Canvas is the District's learning management system (LMS). A Learning Management System (LMS) simplifies teaching and learning by connecting the digital tools teachers, students, and parents use in one place. To access the Canvas Family Guide, please click one of the following links: [Hillsborough Canvas FAMILY Guide \(instructure.com\)](#) Register for a parent account today so you can ensure that your student is on track for academic success - [Online Classroom - Hillsborough Schools \(hcpscanvasproject.azurewebsites.net\)](#) If you have any questions about Canvas, please reach out to Troy Suarez ([troy.suarez@hcps.net](mailto:troy.suarez@hcps.net)) or Chris Holt ([christopher.holt@hcps.net](mailto:christopher.holt@hcps.net)).

### **COMMUNICATION:**

Our phone system has advantages and disadvantages. When calling the school, the automated message gives the caller the option of selecting either an office area or the extension of the person sought. Teachers will attempt to return phone messages within twenty-four hours. Teachers have access to phones in teacher planning areas, but not in individual classrooms. There are six out-going lines available for the entire staff. Finding an available phone and an available line is sometimes a challenge. EMAIL can be a timelier communication for almost ALL teachers and can be accessed and answered from the classroom. Please do not expect teachers to read or respond to emails during class time.

ALL teachers will give post a comprehensive syllabus on their canvas homepage. The syllabus will give important information about the teacher's grading policy, the teacher's policy on make-up work, and the BEST way to get in touch with the teacher.

In order to keep you informed, Principal Raburn will send out weekly updates with information about school events. All communication is sent out via our ParentLink system. If you do not provide us with a current phone number (that can receive text messages) or email address, then you will not get our weekly updates. Please make sure you confirm and update your contact information on the student emergency card that will be sent home during the first few weeks of school.

### **STRAWBERRY CREST HIGH SCHOOL WEBSITE:**

The BEST way to discover what is happening at Strawberry Crest High School is through our website. Our website address is [Strawberry Crest High / Homepage \(hillsboroughschools.org\)](http://StrawberryCrestHigh/Homepage(hillsboroughschools.org)) Our website is updated often and has all the latest news. Please add our website to your favorites on your computer at home, and please follow us on Twitter: [@TheSCHSChargers](https://twitter.com/TheSCHSChargers) and Instagram: [schschargers](https://www.instagram.com/schschargers)

### **TEXTBOOKS:**

Please protect our textbooks and your tax dollars!! Most textbooks cost over \$80 each and must last a minimum of four years, sometimes six. Covering textbooks is a great way to save all of us money. Brown grocery bags are the best protection. We are asking students to consider using digital textbooks.

### **SCHEDULE CHANGES:**

Please remember that we hire teachers and create a Master Schedule of classes based on the course selections that students made the prior school year, during the programming months of November through January. Therefore, many of the changes requested will not be possible. Strawberry Crest is committed to offering courses that help our students pursue their academic goals; however, we must keep class sizes balanced and keep the scheduling process fair to all students and teachers. Course placement is determined by a student's test scores and teacher recommendations. Elective choices have been honored if possible. Reading (or Thinking Skills) is required for all students in 9th grade and students in 10th grade that scored Level 1 on their FSA Reading test. There will be an opportunity for schedule corrections during the first week of school. Schedules will be corrected only for errors (missing a required course or a class period, enrolled in a class already taken and passed). Please contact the Guidance Department if you believe there is an error in your child's schedule. Seniors will have the opportunity to make corrections to their schedule during Open House on August 7<sup>th</sup> (8:30 - 11:30).

**STUDENT DROP-OFF INFORMATION:**

Student drop-off is located in the front of the building. Please do NOT attempt to drop your child off in any other area of the school (Student parking area, Bus ramp, or Bailey Elementary). We have developed the best and most importantly, the SAFEST drop-off system available to us. This year the front drop-off area will have two lanes. The left lane will be for those drivers who are parking, thus there will be NO stopping in this lane. The right lane will be the drop off lane. Please adhere to the directions of the school personnel there to assist you. Most importantly, please BE PATIENT...and please ARRIVE EARLY...this area gets very congested in the morning and the safety of our students is extremely important.

**BUS STOP INFORMATION:**

If you live more than two miles from school and have not received bus information, please go to this website to find your correct bus stop information: <https://webquery.sdhc.k12.fl.us/livewq/webquery/> Information will begin to come out as we get closer to the start date of students returned to the school. If you need additional information regarding busing, please contact Mrs. Miltner, CCRT for Student Affairs. By downloading the mobile app or logging in to the Here Comes the Bus website, a parent can see where their child's bus is located and when their child has scanned on and off the bus. A parent cannot see any information on other children - <https://herecomesthebus.com/> Code - 75255

**CONTACTLESS STUDENT SIGN IN:**

Parents will not need to physically sign their students in when they are late. Students will be asked to bring in a note signed by the parent, which states the reason for signing in late and includes the parent signature.

**PRE-ARRANGED STUDENT SIGN OUT:**

Student sign outs may be pre-arranged by bringing in a note signed by the parent/guardian on the emergency card. Note must include the parent's name, parent signature, parent contact number, student name, student ID number, sign out time and date. All notes must be submitted to the Student Affairs Office BEFORE 8:40am to be pre-arranged. Students will receive a blue, pre-arranged sign out pass upon approval of parent/guardian note. Due to safety reasons, sign outs over the phone are not permitted.

**STUDENT PARKING:**

Students will have the opportunity to drive to school; however, all student drivers must have the proper Parking Hangtag. Hangtags are \$20 for the school year. Seniors may purchase a permanent space for the school year for \$50 (which includes painting the space). These spaces are limited to first come, first serve. In order to obtain a permit, students must provide a copy of their driver's license, car insurance, car registration, and not owe any school debt. All paperwork must be submitted online at <https://forms.office.com/r/xBeCEZvaWn> After students have returned to school, hangtags may be purchased through the link the entire year. Cars parked in unauthorized areas and cars parked without the proper permits will be subject to towing. Parking hangtags can now be purchased through the MyPaymentsPlus website. Students can log in with their student ID and pay for the hangtag before turning in their forms (forms are online) to the Student Affairs Office. If you have questions, email Mindy Miltner at [mindy.miltner@hcps.net](mailto:mindy.miltner@hcps.net)

**BREAKFAST & LUNCHES:**

Breakfast is free for all SCHS students. Students will need to know their student ID number in order to get breakfast or lunch. This school year, regular school lunches are free for all SCHS students due to the federal

Community Eligibility Provision. No paperwork is needed as all SCHS students receive this benefit. This only applies to regular school lunch items. A la carte items must be purchased.
